Service Delivery Day (SDD) - Gorakhpur
Venue- PHC- Khorabar & Chargawa, Gorakhpur, Uttar Pradesh
Month-January, 2011

Overview and Background

During the month of January 2011, UHI Gorakhpur organized **Service Delivery Days** for women group from urban slums of Gorakhpur City at both PHCs Khorabar & Chargawa, Gorakhpur with Partner NGOs – PGVS & GSS. Pre-planning meetings were conducted with MOIC of related PHC,s, Gorakhpur. and with both Partner NGOs to finalize for female sterilization, IUCD insertion and distribution of Government supplies of oral contraceptive pills, and Condoms. All the services and supplies were available at free of cost to the urban poor population.

Slum Selection and Outreach

Potential clients were identified and motivated for family planning services by the Peer Educators working in urban slums of Gorakhpur city with help of Outreach workers and they provided initial counseling for services at grass root level along with basket of choices. They also conducted community meeting's in their respective slum areas to convey the messages and demand generation.

Peer Educators of both NGOs accompanied clients to both PHCs Khorabar & Chargawa, Gorakhpur to provide support to get access to the quality services on the fixed day (every Friday). Transportation facility was arranged by UHI Gorakhpur team in order to facilitate transportation (to & fro) of Potential clients from their residences.

NGOs supported clients to get registered for FP services. All required Medical tests, Physical Verification and check up were conducted at District Women Hospital, Gorakhpur to identify client's fitness for appropriate method chosen by them.

Quality of Services

Quality services were provided under the direction of Dr. Sachi Vatsa Counselor of UHI-Gorakhpur. Both facilities provided informed choice and referral for desired and appropriate services. Female sterilization and Cu-T services were provided after proper physical verifications and medical tests.

Outcome for January 2011 – No. of Clients served during SDD at both PHCs-Gorakhpur.
